GRANDE COLONIAL
LA JOLLA • EST. 1913

The Grande Colonial is a classic, European-style hotel situated within walking distance of La Jolla's pristine beaches and upmarket shopping boutiques. With commanding views of the California coastline and a history dating back to 1913, this intimate boutique hotel evokes a bygone era of dignified travel, when service was personal and accommodation was unashamedly luxe. The historic feel is retained through ornate chandeliers, colonial marble fireplaces and vintage patterned bedspreads, while modern amenities include iPod docks, HD flat screen TVs and a heated outdoor pool.

The on-site restaurant is worthy of a visit of its own right – helmed by award-winning chef Jason Knibb, it combines sophistication and elegance with a farm-to-table philosophy reflected through the use of organic, local produce, selected daily for the restaurant's delicious seasonal menus. Business travellers will enjoy the property's proximity to the Scripps Institute, the University of California San Diego and the La Jolla, Sorrento Valley and Golden Triangle business districts, as well as state-of-the-art meeting and event facilities. The Grande Colonial's refined design and attentive service are likewise reflected in their business offerings.
