Nancy Warwick

OWNER OF WARWICK'S, FAMILY-OWNED & -OPERATED BOOKSTORE

What is the biggest way you influence the community on a daily basis?

Warwick's is my influence on the community—from its history, vibrancy, and commitment to and involvement with the community.

What's your favorite guilty pleasure food at a restaurant in La Jolla?

Once a year I order the half-baked chocolate cake from Nine-Ten and experience pure joy as I devour it.

What would you hope for your legacy in the community to be?

To be remembered as someone whose store made a difference in peoples' lives and for running a store that brought employment, warmth, and a sense of community to La Jolla.
