Rare & Premium Glass Pours by Coravin®

Chardonnay, Chalk Hill Chalk Hill AVA, Sonoma, CA 2015 25

Chalk Hill is an iconic winery in southern Sonoma County, not too far from Carneros. The founder Fred Firth discovered the property while piloting his plane. These wines are classically Californian in style. They are rich, textured, and highly complex. This Chardonnay shows an impeccable balance of roasted ripe fruits, fragrant acacia flowers, and fresh made crème brulee. There is a reason these wines remain legendary in California lore.

Pinot Noir, Cristom, “Sommer’s Reserve” Willamette Valley AVA, OR 2008 38

For over a quarter of a century Cristom has been making gorgeous wines, with their focus being on superb Pinot Noirs. The 2008 Sommer’s Reserve is no exception. It shows a core of ripe cherry and raspberry fruits with notes of rhubarb and fresh picked morel mushrooms, and whips of smoke and spice. This re-release is straight from the winery cellars. Getting the opportunity to taste a mature Pinot Noir of a top winery from an exceptional vintage should not be passed up!

Nebbiolo, Fratelli Borgogno, ‘Cannubi’ (cru) Barolo DOCG, Piemonte, Italy 2013 35

Located in Italy’s prized Piedmont region brothers Serrio & Battista Borgogno are making amazing wines in a very traditional fashion from both Barolo and Barbaresco. This wine from the Cru site of Cannubi is among the best of the Barolo Cru sites. It sits at the connecting point of the Northwestern & Southeastern grown zones with a perfect southerly exposure. These wines are both elegant and strong; the epitome of iron fist in a velvet glove.

Cabernet Sauvignon, Faust Napa Valley AVA, CA 2015 30

Faust is full-bodied wine and as classically styled as Napa Valley Cabernet Sauvignon gets. This unctuous wine has inky legs that stain your glass, foreshadowing its richness and intensity. It has concentrated aromas and flavors of roasted cassis, blackberry pie, mint, eucalypt oil, and sweet oak. The tannins are rich, but ripe & supple at the same time.

Specialty Cocktails

Gin Based

Colonial Summer

Burnett's London Dry Gin, St. Germain elderflower Liqueur, Lemon, Simple Syrup, Muddled Summer Peaches & Mint 13

Spiked Strawberry

Boodle's Gin, House-made Strawberry Infused Simple Syrup, Muddled Mint & Strawberries, Clun Soda 13

Staff Picks

Eric

- 311 Cht. Cantelaudette, "Cuvée Prestige," Rouge, (100% Merlot) Bordeaux, France 2012 68
Graves de Vayres AOP, Entre-deux-Mers
Made from 100% Merlot in a small appellation across the river from St. Emilion. Chateau Cantelaudette Rouge is a selection from the best plots at Vignobles Chatelier. It is aged in New French oak barrique barrels for 18 months. This silky, smooth wine shows character of plum, wild red berries, smoke, cigar wrapper, and toasted vanilla.

Bruno

- 19 Faust, Cabernet Sauvignon Napa Valley AVA, CA 2015 110
(from Agostin Hunceus - the founder of Quintessa)
Faust is full-bodied wine and as classically styled as Napa Valley Cabernet Sauvignon gets. This unctuous wine has inky legs that stain your glass, foreshadowing its richness and intensity. It has concentrated aromas and flavors of roasted cassis, blackberry pie, mint, eucalypt oil, and sweet oak. The tannins are rich, but ripe & supple at the same time.

Chelsi

- 787 Billecart Salmon, Brut Rosé, (375ml – ½ Bottle) Champagne AOP, France NV 90
94 Billecart Salmon, Brut Rosé, (750ml – Full Bottle) Champagne AOP, France NV 180
(40% Chardonnay / 30% Pinot Noir / 30% Meunier)
Pure elegance on the palate. This Champagne is a ballet dancer. Shows notes of tart raspberry, bing cherry, shortbread, and toasted brioche with marmalade. Its plush satiny texture gives way to the zest bright finish with a touch of chalky minerality to balance it out.

Ramiro

- 214 Coho, "Headwaters," 'Bordeaux Style' Blend Napa Valley AVA, CA 2013 100
(58% Cabernet Sauvignon / 39% Merlot / 3% Petite Verdot)
Sourced from Napa Valleys renowned Coombsville district, "Headwaters" is perfect example of how well the Bordeaux grape varieties fare in Napa. Ripe plums, red & black currants, licorice, and grilled bread are all present in your glass. Plush and silky tannins softened by the Merlot complement the Cabernet Sauvignon perfectly.

Chris R.

- 519 Weingut Brundlemeyer, "Terrasen" Riesling Kamptal DAC, Austria 2015 48
Willi Brundlmeyer was named one of the Top 25 Austrian Winemakers of the last 25 years from Wine & Spirits Magazine. And for good reason. This wine is exquisite. Finely etched, lean, and pure; exploding out of the glass with tangerine, lime zest, and fragrant white flowers with dazzling acidity that glitters on the palate. A perfect foil for Asian flavors, crudos, and raw dishes. This wine sings!

Sommelier Suggestions

Saxon Brown Wines

A story with every sip.

Owner/Winemaker Jeff Gaffner launched Saxon Brown in 1997 after a career of working for some of California's most renowned artisan wineries. Named for the headstrong heroine in Jack London's novel Valley of the Moon (set in Sonoma, CA), Saxon Brown wines strive to tell a story with their expressions. Focusing on single vineyard bottlings, Jeff's style is one of balance and elegance, with a deft touch. "A restrained and respectful hand in the cellar results in a more interesting, character-driven narrative in the bottle." Try a bottle or a glass and see where the story takes you.

Bruliam Wines

Local influence in your glass.

Brulium Wines was founded in 2008 by a couple who met at La Jolla Country Day – right up the road! Leaving careers in lucrative fields, husband and wife Brian & Kerith Overstreet decided to follow their passion and embark on a new life in winemaking. Naming their winery after their 3 children (Bruno, Lilly, and Amelia) they are focused on ultra-premium, single vineyard wines of exceptional quality, expression of place, and from low yielding vines tended in a sustainable manor. Not only are their wines superb, you can rest easy knowing that 100% of their profits (not a typo) are donated to charity, including Bishop's School and their alma mater La Jolla Country Day. Enjoy a bottle of great wine and help out our local community. Bottoms up!

Glossary of Terms

General Wine Quality Levels

AOP (France) - Appellation d'Origine Protégée – Protected Appellation of Origin - This is a specified area with defined boundaries and specific rules for growing and making wine.

DO (Spain) - Denominación Origen - This is a specified area with defined boundaries and specific rules for growing and making wine.

DOQ/DOCa (Spain) - Denominación Origen Calificada- This is a specified area with defined boundaries and specific rules for growing and making wine that has achieved the highest reputation for quality in Spain.

DOP (Portugal) - Denominação de Origem Protegida - This is a specified area with defined boundaries and specific rules for growing and making wine.

AVA (USA)- American Viticultural Area - This is an area with defined boundaries that has a similar influence on wine growing as it applies to its terroir / geology and climate. There are no rules for what growers may, or may not, grow.

County Appellations (USA) - These are political boundaries which may, or many not, contain AVA.

France

Vielles Vignes - Old Vine - These term has no legal definition, but producers will use it to designate bottlings from the older & more established vines on their property. I have heard a general rule of thumb: "If the vines are older than the wine-grower, then they can call it Vieilles Vignes!"

Regional (quality level) - This is a geographical quality level that applies mainly to the wines of Burgundy. For this level a producer can use fruit from anywhere in the region. They are typically very easy to drink young and are very reasonable in price.

Village (quality level) - This is a geographical quality level that applies mainly to the wines of Burgundy. These wines must be grown within the geographical boundaries of the specified village on the label only. Some villages have earned higher esteem and demand than others. They are priced according to both this reputation and this demand

Lieu-Dit - Named place - A term typically used in Burgundy. A lieu-dit (pronounced: LOU-dee) is a vineyard site that carries a name that has been historically associated with it. That site, however, has not been classified as a 1er Cru, nor Grand Cru. It is simply a "named place" vineyard.

1er Cru (quality level) - This is a geographical quality level that applies mainly to the wines of Burgundy. Within villages there are specific vineyards with specific boundaries that have demonstrated over a long period of time that they are consistently producing wines of a higher quality and demand than their neighboring vineyards. Wines coming from these vineyards can have their name appended to the Village name and qualify for a Premier Cru (1er Cru) designation on the label.

Grand Cru (quality level) - This is a geographical quality level that applies mainly to the wines of Burgundy and Alsace. Within villages there are specific vineyards with specific boundaries that have demonstrated over a long period of time that they are consistently producing wines of the absolute highest quality possible. Beyond that of the 1er Cru vineyards. In this case, producers do not even put the name of the village on the label, only the name of the Grand Cru. These wines demand the highest prices in Burgundy and are the most sought after, prized, and hoarded by wine collectors.

Grand Cru Classé - This designation has been given mainly to the wines of Bordeaux and Cotes-de-Provence. Specific producers have shown the ability to produce a caliber of wine much higher than the vast majority of other producers in their region. Producer groups in these regions have designated (or classified) the best of the best and allowed them to use the term "Grand Cru Classe" on their labels. In the case of the Medoc region of Bordeaux they separated 61 producers into 5 different levels of "Grand Cru Classe."

United States

Reserve - Has no legal definition. Any producer can use this term for any reason...

Glossary of Terms

Italy

Superiore - Typically refers to a richer wine than might normally come from the region. In the rules of production for the region it is usually expressed by having a higher minimum alcohol than the normal standard for the region. Amounts will vary from region to region.

Riserva - This is an aging requirement term. It almost always requires a longer aging process before the wine can be released for sale to the public. The length and type of aging (cask vs. bottle) will vary from region to region. For example, a wine labeled Barolo DOCG must be aged for 38 months (including 18 in cask) before it can be released; whereas a wine labeled Barolo Riserva must be aged for 62 months (including 18 in cask) before being released.

Spain

Crianza - This is the first level of aging designations in Spain. It typically designates 12 months total aging including 6 months in cask for whites & rosés; and 18 months total aging including 6 months in cask for reds. This is a generalized amount, some DO's & DOCA's may have their own individualized rules.

Reserva - This is the second level of aging designations in Spain. It typically designated 24 months total aging including 6 months in cask for whites & rosés; and 36 months total aging including 12 months in cask for reds. This is a generalized amount, some DO's & DOCA's may have their own individualized rules.

Gran Reserva - This is the highest level of aging designation in Spain. It typically designates 48 months total aging including 6 months in cask for whites & rosés; and 60 months total aging including 18 months in cask for reds. This is a generalized amount, some DO's & DOCA's may have their own individualized rules.

Germany

Pradikats - These are quality levels that are directly associated to the amount of sugar level in the grape when it is harvested. This correlates to the amount of potential alcohol and body the wine may have after fermentation.

Kabinett - The first of the "pradikats." Kabinett typically indicates a wine of a very delicate nature. One might expect find the slightest bit of residual sugar here; just a prickle of sweetness, not much more than that.

Spätlese - Probably the most widely encountered "pradikat." Spätlese wines have been harvested a bit late, their sugars have started to concentrate and there is a bit of botrytis (noble rot) on them. Expect these wines to have a good amount (but not dessert level yet) of residual sugar & sweetness, but are still classified as table wines.

Auslese - Wines of this designation sit right on the edge of having enough sugar to be dessert wines. There has been a noticeable, but not extreme amount of water evaporation leaving the grapes rain-like. They have a very noticeable amount of botrytis and residual sugar.

Beerenauslese (BA) - This is the first pradikat level that is squarely in the dessert wine category. They typically only come in 375ml & 500ml sized bottles. Climatic conditions need to be just right to make these wines correctly. They have been left on the vines much later than most, have a high amount of raisination, and show an elevated level of botrytis.

Eiswein - This is one of the rarest types of German & Austrian wines. The climatic conditions have to be just perfect. The grapes have to naturally freeze on the vine at the exact right time. The ice crystals in the water turn to ice, but the sugar and grape nectar do not. These wines are highly concentrated in sugar, and are incredibly sweet with a rich, syrupy texture that still manages to not appear cloying.

Trockenbeerenauslese (TBA) - A legendary wine in the world of dessert wines. Very little compares to TBA. The grapes are very shriveled and covered with botrytis. They are unctuously sweet with the viscosity of high quality fresh maple syrup. These wines are powerful and precise at the same time.

Trocken - Dry. A wine with 9 grams per liter of residual sugar or less.

Gutwein - A wine made from within a specified large region. That region's name must be on the label.

Ortswein - A wine made from a specific village. The village name must appear on the label.

Erste Lage (First Growth) - A term synonymous with 1er Cru in Burgundy. These wines can be dry, off-dry, or sweet.

GG (Grosses Gewachs) - A term synonymous with Grand Cru in Burgundy. These wines must be trocken/dry.
